Welcome!

Welcome to Our 10th Annual On-Property Ram Sale

Our stud was established in 1998 at "The Lagoons", Ulan, and today continues at "Laraben", Botobolar. That's 27 years of dedication to Poll Merino breeding, and this year we proudly celebrate our 10th annual on-property ram sale.

We are offering 68 Poll Merino rams, averaging 17.6 micron, combining depth of breeding with a strong emphasis on structure, growth, and quality wool.

The 2025 team reflects years of careful selection and the benefits of blending outside sires with our ewe base. Independent assessments by Ben Patrick of Accelerate Ag provide an unbiased measure of structure and wool, with full ASBV data and scoring available in the supplementary sheet.

This year's draft has been prepared under practical conditions. The lead lots have been shedded since mid-April, while the remainder have run in the paddock without supplementary feeding, ensuring they are well-grown, robust, and ready to work.

We warmly invite you to join us on Friday, 17th October, for inspections from 10:00 am and the sale beginning at 1:00 pm. This year we have elected to utilise AuctionsPlus as an online viewing platform only. All lots will be placed on this platform, but it will not be interfaced with the sale. If you are unable to attend the sale in person, please get in touch with one of us or one of the agents to organise your purchasing needs.

Thank you for your ongoing support and interest in our program. We look forward to welcoming you on sale day.
